

We will let in the visitors arriving in groups of no more than 2 people, unless the visitors are the members of the same family

The artworks require an individual communication – please keep a safe distance of at least 2 meters from each other.

The artworks are very sensitive to viruses, therefore the visitors must wear a face mask and gloves.

We will be waiting for people with chronic illnesses and seniors after the end of the quarantine.

The cloakroom will rest, but it will be possible to use permanently disinfected metal lockers

In the museum shops we will ask the visitors not to touch things, not to flip books

Children zones will be so sad without being able to receive visitors

Access to the museum may be restricted if there are more than 1 visitor per 10 m²
